A Word from the Editor:

Where to start??? As I'm sure you know, while adapting to the construction at the library, the library personnel were hit with the news that there was mold in the building and it would have to be closed. To no one's surprise, our super-human staff rose to the occasion and created a plan of attack to continue to provide library services to the community. We were all in awe of the way they took on this Herculean effort, and started up services at the Senior Center. Please give them all a special thank-you when you see them!

Before the library closed we were able to provide a new dropbox for multimedia materials. While our fund-raisers have been put on hold due to Covid and the move, we have been able to do our art and photography shows virtually. We are grateful to Bob Kadis and all the artists for maintaining these shows.

We are catching up with the times, and have been able to set up Paypal and credit services to take credit cards for payments. This should make it easier for you all to send in your donations!

A REMINDER ABOUT AMAZON SMILE

This is a program provided by Amazon that allows non-profit organizations to receive a percentage of purchases made. If you sign in to Amazon through Amazon Smile, and have designated the Friends of the Agawam Library as your organization, the Friends will receive .5% of your purchase. This does not add any cost to your purchase. To get started, go to smile.amazon.com and register the Friends as your organization. Then, whenever you sign in to Amazon do it through smile.amazon.com rather than amazon.com. All your passwords and information remain the same.

Please share this information with your family and friends. You do not have to be a resident of Agawam to participate. We are very excited to offer this “painless” way to generate some income for our library!

COMING SOON

WE WILL SOON BE OPENING A SMALL GIFT SHOP TO OFFER GIFTS THAT WOULD APPEAL TO READERS AND LIBRARY-LOVERS. STAY TUNED!

“When trouble strikes, head to the library. You will either be able to solve the problem, or simply have something to read as the world crashes down around you.”
