Library Updates:

- Our phone extensions are working!**

Many of our library extensions came over, but not all of them. Each department has a working phone, but individual staff members may not have their own extensions. Dial the main number (413) 789-1550 and then contact the following departments for more information:

Circulation Desk: X8860
Information Desk: X8859
Reference Desk: X8853
Children's Desk: X8052

- **Shelving and Books are Here.**

Books are getting their new homes today! Not all of our collections will be coming over to the Senior Center. Our patrons can now browse for new fiction and non-fiction books, a small selection of audiobooks, CD's and DVD's, large print, periodicals, and of course, children's material. We are also going to start purchasing new items too! Signage is going up in various locations throughout the Senior Center so our patrons can easily navigate during their visit. If you can't find something, just ask!

- **Public Computers are Available.**

The Senior Center computer lab has computers available for public use between the hours of 8AM and 7:45PM, Monday through Friday; and 9AM-4:45PM on Friday and Saturday. Printers are available too! Please note that there is limited seating and time available in the Senior Center computer lab.

We can bring the library to you!

Agawam and Feeding Hills residents can enjoy the Library collection without having to visit the Library in person. Whether you read books and magazines, watch DVDs, or listen to audiobooks or music, the Library will arrange to have items delivered to and picked up from your home by staff members or trained volunteers.

For more information talk to a Library Staff Member in person at the Senior Center or call us at 413-789-1550 ext. 8853
